

AVANTI WINES

Sauvignon Blanc

Matteo Braidot

Friuli-Venezia Giulia – Italy

- ❖ **Grape variety:** Sauvignon Blanc 100%
- ❖ **Alcohol:** 12.5% vol.

- ❖ **Winemaking:**

De-stemming and few hours' cold maceration process, soft pressing of grapes. After the must is cold-settled. The fermentation takes place with controlled temperature, at the end of which the wine rest on noble lees until bottling process period.

- ❖ **Tasting notes ;**

Straw yellow colour with green glints. The nose reveals notes of grapefruit with slight fragrance of elderberry and green pepper. It is fresh, very savoury, with a long persistence in the mouth.

Serving: Serve at a temperature of 10°C-12°C

Serving suggestions: An ideal aperitif. It matches perfectly with asparagus "risotto" and fish dish mostly.
